

Read Me First

Using the Teacher Guide Grades 3 & 4 CD-ROM

This disk includes the following:

- What to Print file, which is a handy reference for what to print for each lesson
- A complete list of materials needed for the entire quarter
- Teacher Training folder, which contains articles, helpful tips and suggestions to improve teacher skills
- Winter Family Event Plan, which gives guidelines and suggestions for a once-a-quarter event that will help you communicate with parents and help them grow their children's faith at home
- Bible Book Cards, which are used as a resource to help children learn to use their Bibles (If you haven't already done so, print, copy and cut apart two sets of cards and use them for the rest of the year!)
- Song Motion Charts to help you learn the six songs for this quarter and lead students in doing fun motions
- Bible Memory Verse List to send home with students
- Lesson Extras folder, which contains resources for each lesson

PDF Instructions

PDF files can be opened and printed by using Adobe Reader software. PDF files cannot be modified via Adobe Reader.

You can download the most recent version of Reader for free from the Adobe website. Download the most recent version of Reader here:

<http://www.adobe.com/products/acrobat/readstep2.html>

Note: Pages can be printed individually by indicating so in the Print dialogue box.

Problems?

If you have any problems that you can't solve by reading the Help file that came with your software, please try the software website for online support.

(Sorry, but Gospel Light cannot provide software support.)
