

Welcome to A Life of Wonders

This quarter, you and your kids will discover God's love for us through Jesus' life. As students learn about what Luke and John wrote about Jesus, they will uncover the truth that Jesus showed us who God really is and that believing in Jesus is the one and only way to real life!

If this is your first time to teach this material or if you'd like a quick refresher, go to our website at gospellightsundayschool.com. But if you're ready to venture in to a life of wonders, then follow these easy

1-2-3 STEPS!

Prepare and Pray

1. Check out the lesson introduction. The Big Idea tells why the lesson will make a difference in kids' lives—and in your life, too! The Action Plan helps you focus on what kids can do in this lesson to apply the Big Idea to life! Connecting You to Jesus shows how the action in this lesson's Bible story points to Jesus.
2. Read the lesson and customize it for your kids by marking the activities you plan to do. Pray for God to help you reach your kids and show His love to them.
3. Gather the materials you need—they're listed right there for you!

Teach

1. **Get Thinking:** Welcome your kids and use this activity to help them think about today's Big Idea!

2. **Get God's Word:**  This is the heart and soul of your time together! Use the Story Starter to draw kids in and the fun Storytelling Idea to get kids participating as you tell the story.

3. **Get Talking:**  Help kids talk about ways they can apply the Bible to their lives. Whiteboard Time, *Kid Talk Cards*, cool art activities and energetic games will keep your kids interacting with each other, with you and with God! (And get families talking, too, by handing out *Family Fridge Fun* papers for kids to take home.) End with a prayer time together!

CONNECT TO FAMILIES

Check out the Winter Family Event on the CD-ROM! This is a must-have event that really helps you pump up parent participation in your program and helps them grow faith at home. Get your parents involved!

Ready for a wonderful adventure?
