

# Be Relevant

1. Take the list of things that were important to your kids and Google them. Find the number of search results for each of them.

---

---

---

2. Make a list of your volunteers and find out who has a computer tablet smartphone or Kindle fire that they would be willing to use at kids church or Sunday School.

---

---

---

---

3. Dream about ways you can click it, scroll it and slide it with the curriculum you are using right now

4. Spend some time in your Bible or concordance and find 3 passages that are relevant to a news stories you heard this past week.
