

Bring About Permanent Change

1. Read Ephesians 3: 16- 18. When you are finished pray over the chosen three volunteers that you identified last week. Take 5 minutes each morning and pray over these three people each morning asking the Lord to firmly establish them in their commitment to the children in your ministry.
2. Identify several volunteers that you thought were committed to our ministry and you have seen lose their commitment or they have just drifted away.

3. Over the next few weeks give them a call and ask them to tell you what made them decide not to move forward in their commitment to the ministry. Be sure to let them know that their response will help you strengthen the ministry. Do not ask them to volunteer for anything but listen to the response and write it down so you can reflect on it .

4. Use these comments to help you identify better ways to create volunteers established and rooted in their commitment to ministry.

5. Download the two handouts **Ten Commandments for Teachers** and **A Teacher's Vision**
