1. For this weeks homework I would like your feedback on future training that you would be interested in for your or your staff and volunteers.

Here are some of the topics that have been suggested just to get you started. We will identify these and let you know the best ones in Session 12. (Choose from these & add your own needs.)

- Teaching preschoolers
 - Surviving the First Two Years of Ministry
 - Teaching Jesus to Elementary students
 - Preteens- how do we connect with them.
 - Communicating and connecting with busy families

2. Please email your suggestions to **feedback@davidccook.com**

Type “Training Suggestions” in the subject line.

Then just list the topics that are important to you and your ministry. We will get our team of experts on these new topics and get some valuable training off to you.

Thank you for your participation and we look forward to serving you with more training opportunities.

Now, download the two articles, **Smart Talk on Training** and **Leading a Child to Christ** at the links provided.
