### BIBLE SKILLS

By the time the student has completed Gospel Light's Elementary Large Group/Small Group, he or she should be able to:

- Name the books of the Bible
- Locate Bible references
- Use a children's Bible reference book
- Identify the basic theme content of all Bible book divisions
- Complete the Elementary Bible Memory Plan

### BIBLE KNOWLEDGE AND LIFE RESPONSE

To help the child:

- Know God loves and helps us and has a plan for our lives; that God wants our trust and obedience; that God sent His Son, the Lord Jesus, to be our Savior
- Respond by trusting Jesus as Savior; by choosing ways to show love for God and obedience to His Word; by thanking, serving, trusting, and praising God; by believing God's promises; by telling others about Jesus
