

Establishing a Vision

1. Look at the statement you created last week and evaluate it.

2. Is it short? YES or NO (circle one) Why?

3. Is it meaningful? Yes or No (circle one) Why?

4. Is it memorable? Yes or No (circle one) Why?

5. Does it support the vision of your church? Yes or No (circle one)

Describe how it supports this?

6. Create Measurable goals and milestones for your ministry. This should relate back to the word picture of 5th and 6th graders you created several weeks back.
(Examples: Child accepts Jesus as Savior, Child is comfortable in prayer with Jesus, Child has a best friend in your ministry, knows all 66 books of the Bible, Can look up references successfully, knows the division of the Bible and which books are part of each division, knows specific memory verses, understands communion, baptism, tithing, repentance etc. ...)

7. Review these strategies with your Senior Pastor or other pastor at your church to be sure your vision and strategies match with the churches.
